

Enrichment Events for Reuben Students

Hilary Term 2022 Termcard

Thursday Night Seminars, 18:00 - 19:00, Museum of Natural History Followed by Dining with Dinosaurs

The academic heart of the College lies in its Thursday night seminar series, and for HT22 the theme is 'Pandemics', facilitated by the college's Cellular Life Fellows. These free events tie together interdisciplinary discussion between students and academics in communal dining, colloquially known as 'Dining with Dinosaurs' given their current location in the University's Museum of Natural History. For a more in-depth introduction to each talk, [please see the Information Booklet](#). Please note that bookings for these events must be made through [InkPath](#), and the events will appear on InkPath once we are ready to take bookings.

Please note that due to the current Covid-19 situation, Weeks 1 and 2 will be online. Meeting links will be available on InkPath

Week 1 20th January	Communicating Science through Books: In Conversation with 3 leading authors: Lucy Ward (The Empress and the English Doctor: How Catherine the Great Defied a Deadly Virus); Daniel Davis (The Secret Body); and John Tregoning (Infectious: Pathogens and How We Fight Them)
